While we are excited for children when they have their birthdays, we need to make sure that birthday celebrations do not impact upon our instructional day. Food items will not be served for individual students' birthdays. Families wishing to send in an item to celebrate will want to consider pencils, erasers, or other small non-edible treats. Balloons and flowers for students should not be sent to school. Please save these special ways to celebrate for home.

*As per BCPS Superintendent's Rule 5470, we are promoting non-food items also be sent to class for **scheduled celebrations**. However, we recognize that there may be a few classroom celebrations that the teachers request parents send in food items. This list is nut, egg, and dairy free and is our effort to stay compliant with our BOE policy during classroom celebrations this year.
