

Honeygo families Please Note: In an effort to ensure we have heard from all families, this survey is ONLY for families who did not respond to the previous survey AND/OR said virtual only and NOW WANT to be included in HYBRID (2 days a week in person learning). If you have already selected hybrid, there is nothing else for you to do at this time.

The info below is a link to make the change and a timeline for when any change from virtual to hybrid becomes effective. For Preschool-Grade 2 to start hybrid learning the week of March 1, we must have this survey completed by this Friday at noon if hybrid has not already been selected. A separate survey form needs to be completed for EACH child.

If you have previously responded that you want your child to be HYBRID and now want to be virtual only (no person instruction), do not use this form, please email krosenberger@bcps.org to make this change.

Dear Honeygo Elementary School Families,

As stated in the BCPS Reopening plan, families who have selected virtual learning or not responded to the return to school survey, will have ongoing opportunities to update their choices and choose in-person hybrid learning. Our staff will be able to accommodate requests for changes from virtual to hybrid, make necessary arrangements and work with transportation (if applicable) to ensure a smooth transition back to school. Only under extreme hardship situations will changes to cohort assignments (A or B) be done at the discretion of the Principal in collaboration with the Executive Directors of schools (ex: my child receives medical treatments every Monday and therefore should be in the B cohort). The schedule below is in alignment with the phased re-entry to school. If you would like to return to hybrid in-person learning, please submit your request at:

Please use the schedule below to identify request date windows and hybrid learning start dates for students. The specific start dates will be cohort dependent (Cohort A- Mondays and Cohort B- Thursdays). Families will receive a cohort assignment message before the first day of school.

*** Start dates applicable to Honeygo students are highlighted below.**
